Ukrainian Folk Festival 2022

Celebrating the 31st Anniversary of Ukraine's Independence

UKRAINIAN AMERICAN SPORT CENTER

Lower State and County Line Roads, Horsham, PA

\$5 of each paid admission donated to Humanitarian Relief in Ukraine

Exciting, spectacular, dazzling, breathtaking, exhilarating, spirited, soulful, enchanting, captivating, and intriguing – modest words which describe but by no means capture the full essence of Ukrainian folk art, song, music, and dance. From the rich color and deep symbolism of the delicate “pysanka” (Ukrainian Easter Egg) to the thunderous rhythm and power of “HOPAK” – the world’s most exciting ethnic dance - and every brilliant “Kolomyika” (polka) and soulful folk song in between, experience **Ukrainian Folk Festival 2022**.

“A Celebration of Liberty, Bravery and Unity”

A Resplendent Outdoor Summer Concert

***Marking Ukraine's Independence, the Unity of her People
and Their Struggle for Freedom, Prosperity and Dignity.***

The artists (dance troupes, musicians, singers and ensembles that have performed in previous years) have created yet another dynamic and integrated collaborative program.

Recent events in Ukraine, the Euromaidan Protest and Revolution of Dignity as well as the twilight struggle against unlawful, unjustified and heinous Russian armed aggression, have forged a unified Ukrainian national identity, both in Ukraine and in its Diaspora. America's support of Ukraine's commitment to a self-determined, democratic future - to life, liberty, freedom and justice – has created permanent bonds of friendship between the two nations. This year's festival again honors these special relationships and salutes the zeal, valor and dedication of the Ukrainian people.
